

Les bonds de lutins

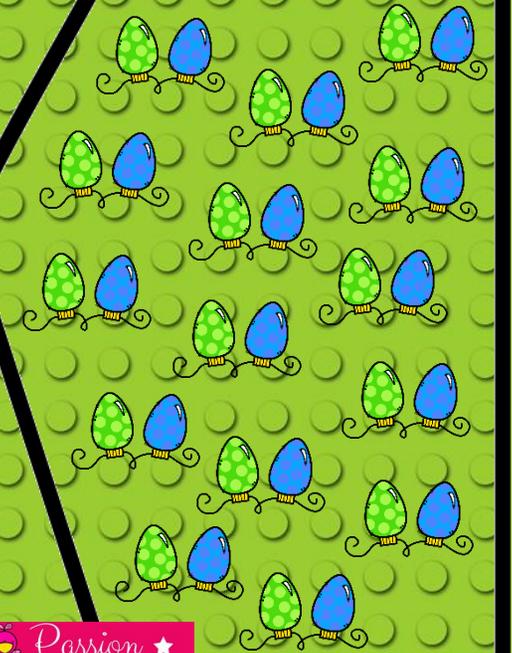

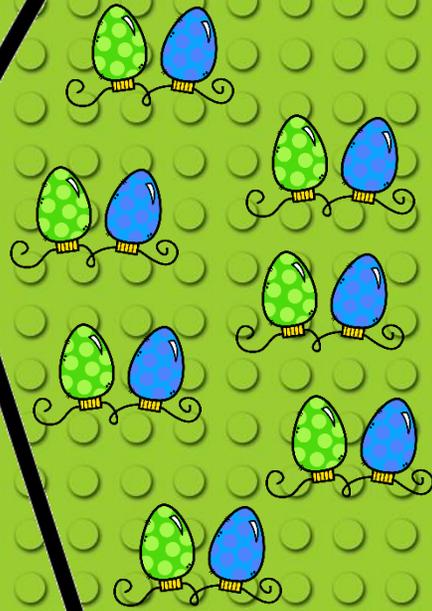

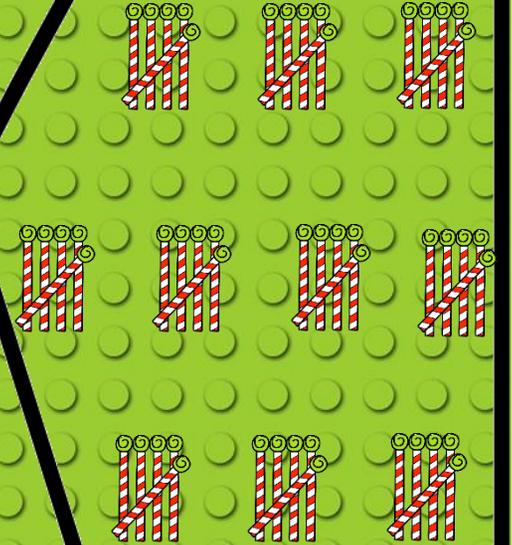

Les lutins Bidule et Fripouille ont une grosse mission à réaliser. Bidule doit compter toutes les cannes en bonbons en faisant des bonds de 5 et y associer l'étiquette avec le bon nombre. Le travail de Fripouille est de compter toutes les lumières en faisant des bonds de 2 et y associer l'étiquette avec le bon nombre.

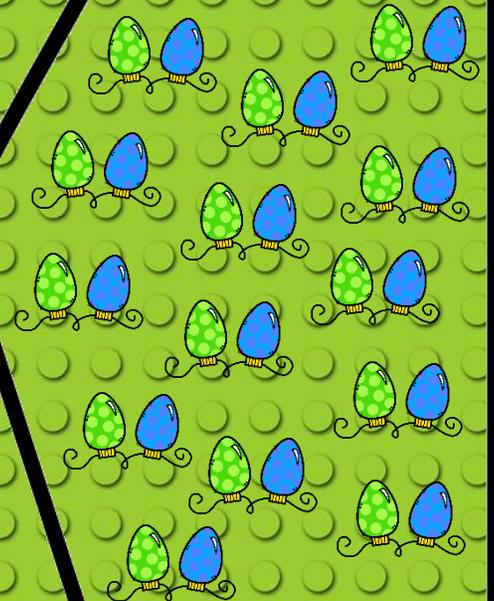

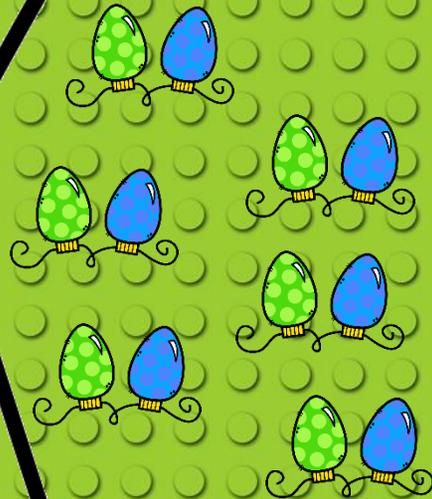

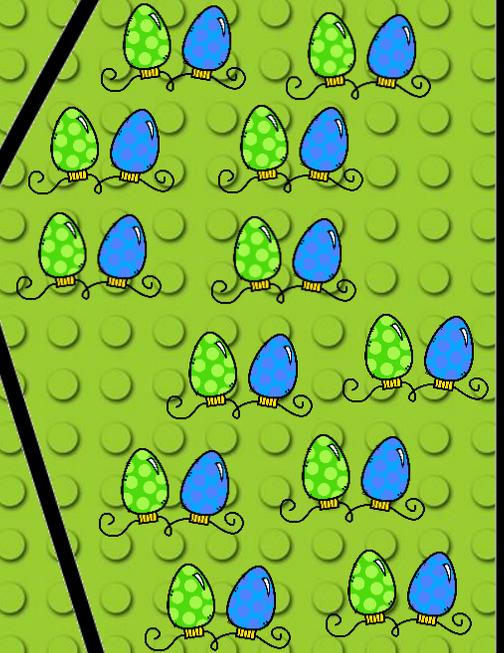

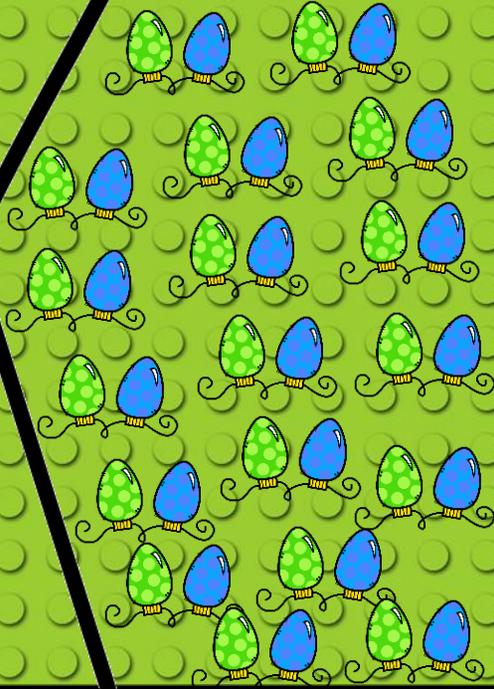

Aucun matériel nécessaire

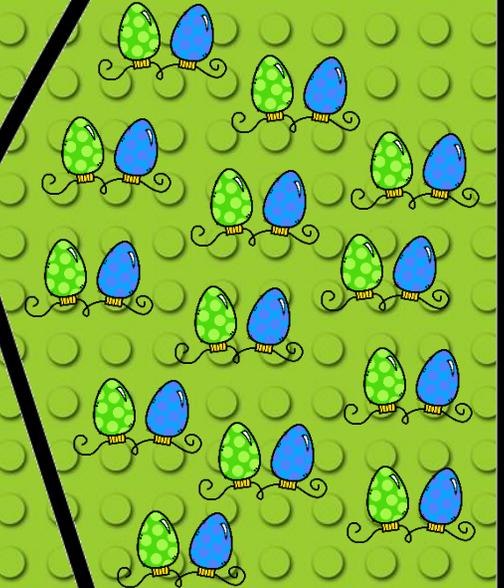

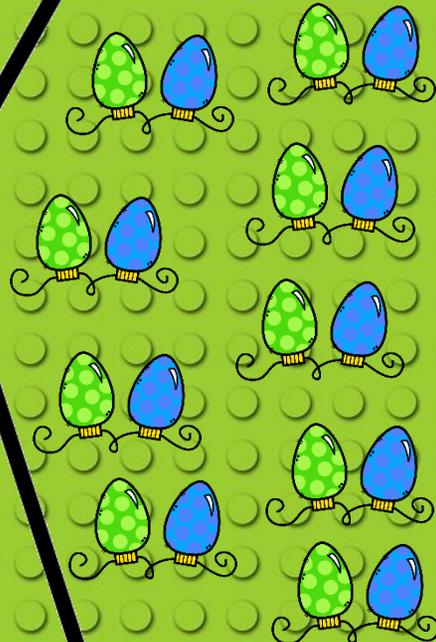

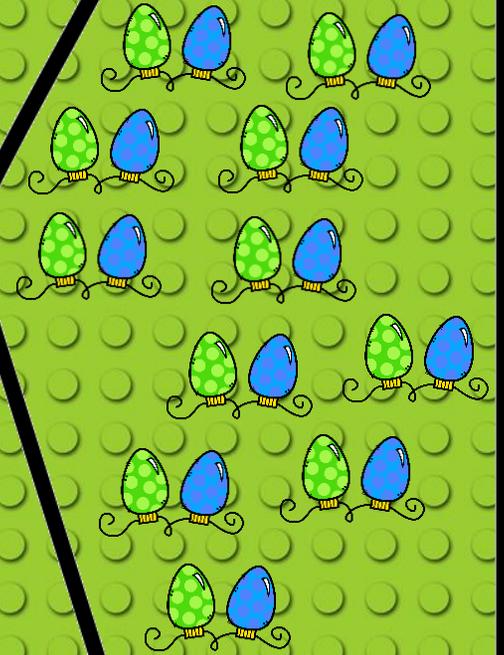

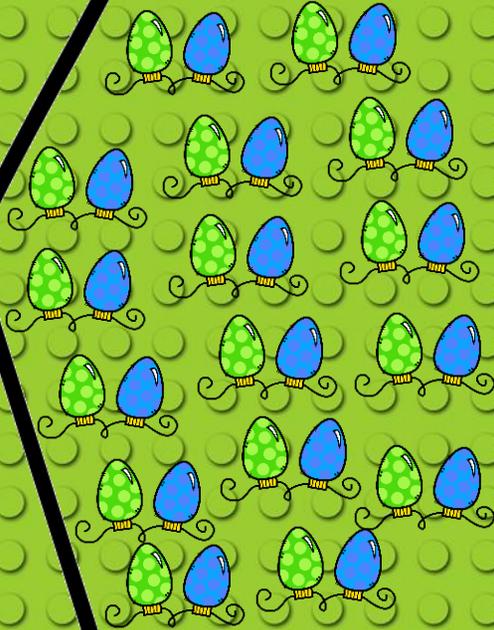

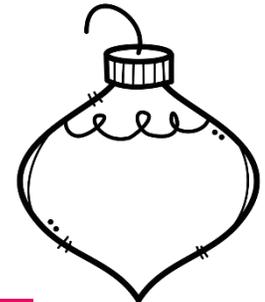

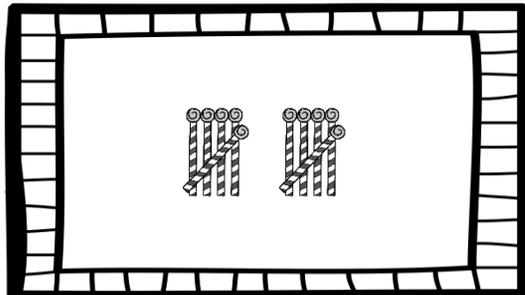

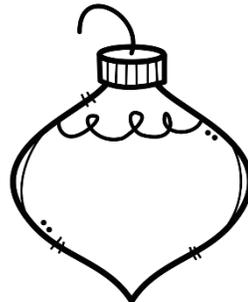

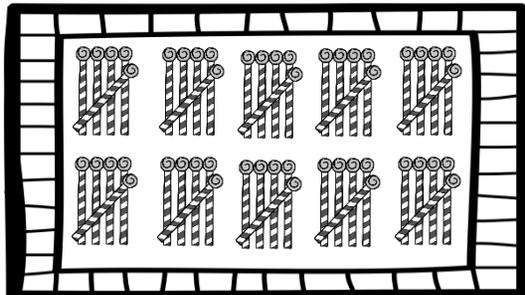

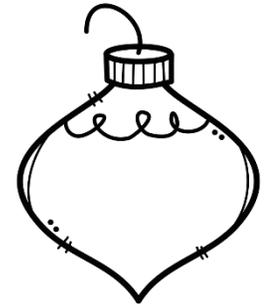

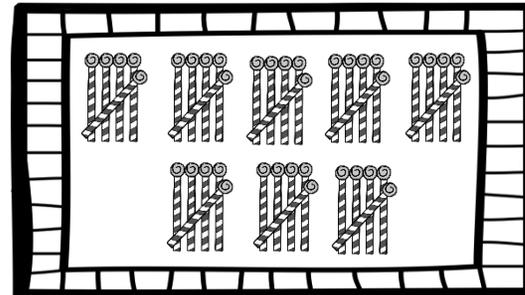

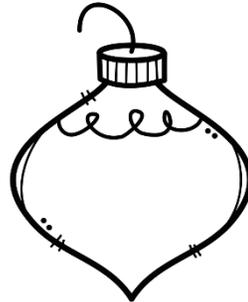

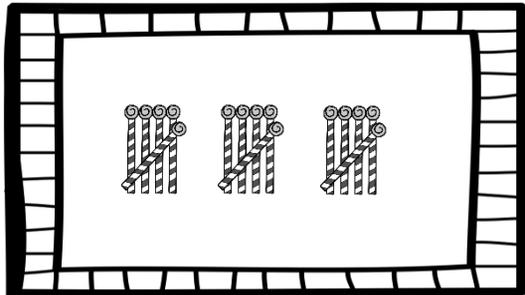

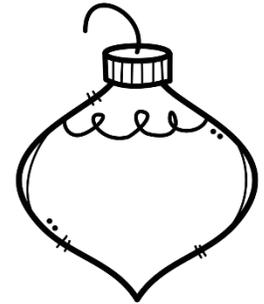

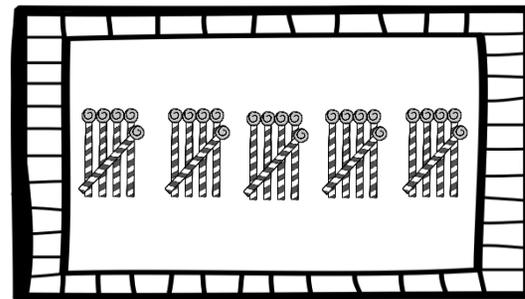

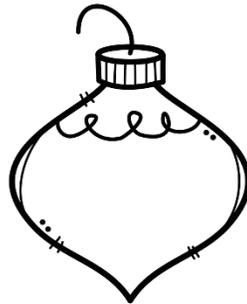

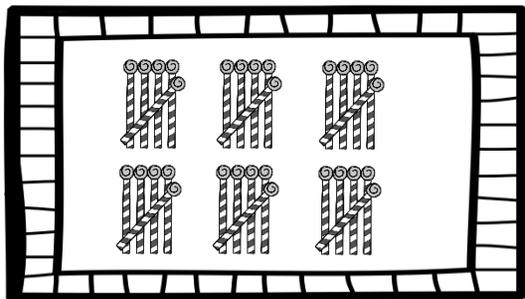

Les bonds de lutins

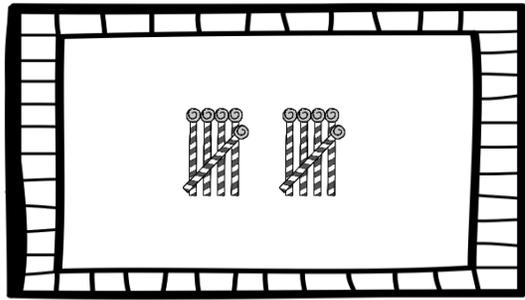

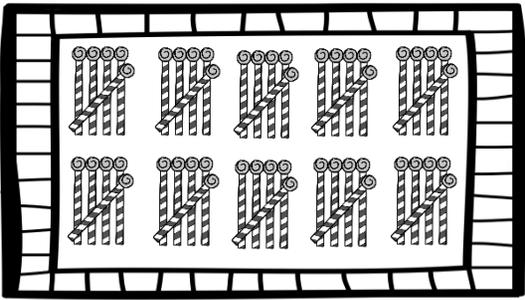

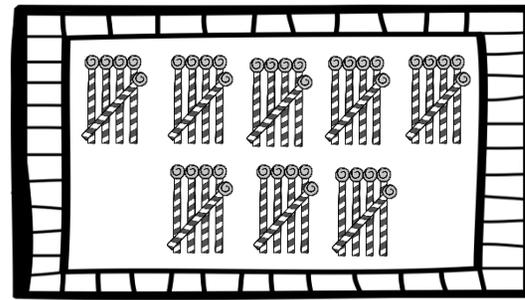

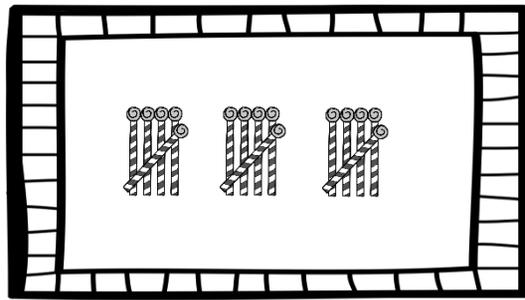

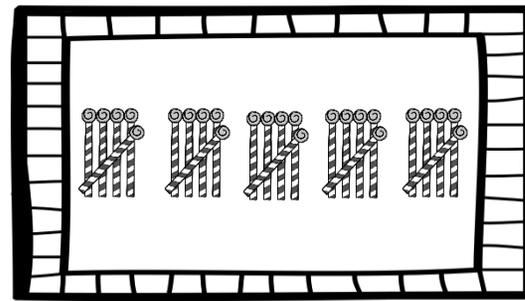

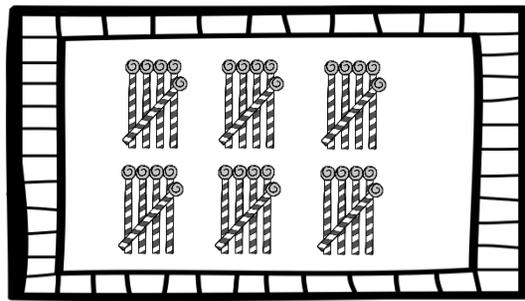

Compte les cannes de Noël en faisant des bonds de 5 et écris ta réponse sur la boule.

Les bonds de lutins

Corrigé

Compte les cannes de Noël en faisant des bonds de 5 et écris ta réponse sur la boule.

merci!
